### ASAHIYAMA ZOO

## Asahiya Radio Guide

Listen to interesting information about the animals in Asahiya Zoo through the radio broadcasts.

You need to rent an FM radio receiver in order to listen to the broadcast. The FM broadcast can only be heard inside the enclosure buildings.

### Rental Charge

FM radios can be rented **free** of charge. However, an insurance deposit (1000 yen) is required for each radio.

The insurance deposit is refunded when the FM radio is returned.

The insurance deposit cannot be refunded if the radio is lost or damaged.

**FM RADIO**

### An FM broadcast place

- \* **Polar Bear Aquatic Park**
- \* **Seal Aquarium**
- \* **Penguin Aquarium**
- \* **Macaque Mountain**
- \* **Chimpanzee's forest**
- \* **Wolf Forest**

### **【IMPORTANT】**

Please use the Headphones to listen to the broadcast. Do not use the speaker.

Please switch off the power after use.

Flash photography is strictly prohibited in the zoo grounds.

### **【How to Use the Radio Receiver】**

Set the Power Switch to FM to switch the power on.

The channel is already set to the frequency for English. However, if you experience a lot of "noise", please reset the Channel Frequency.

Channel Frequency: FM87.5MHz

### **Rental Returns**

Please return FM radio receivers to the "Yasuragi Forest" rest area behind the Polar Bear Aquatic Park by 3pm.
